

A close-up photograph of a yellow flower with green foliage in a white container. The flower is the central focus, with its petals fully open and a bright yellow center. The green leaves are small and succulent-like, growing in a dense cluster. The background is a white surface, possibly the rim of a pot, which shows some shadows cast by the plant. The overall scene is brightly lit, suggesting natural light.

1st Samuel 30:07 And David said to
Abiathar the priest, Ahimelech's
son, I pray thee, bring me hither
the ephod. And Abiathar brought
thither the ephod to David.
