

A close-up photograph of a garden filled with petunias. The scene is dominated by two colors: bright yellow and deep purple. The yellow flowers are scattered throughout, some in the foreground and some slightly out of focus in the background. The purple flowers are also interspersed, with some large, fully open blooms in the center and others as buds or smaller flowers. The green leaves of the plants are visible, providing a lush backdrop for the colorful blossoms. The lighting is bright, suggesting a sunny day, which makes the colors appear very vibrant and saturated.
