

A close-up photograph of a bright yellow butterfly with a few small dark spots on its wings, resting on a pile of dark brown, textured wood chips. The butterfly is positioned in the center of the frame, facing towards the left. The background is a soft-focus field of similar wood chips, creating a natural, earthy setting. The lighting is bright, highlighting the vibrant yellow of the butterfly's wings against the dark, textured background.

Daniel 11:39 Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.
