

An aerial photograph of a rural landscape. The foreground and middle ground are dominated by large, rectangular agricultural fields. Some fields are a vibrant green, while others are a rich brown, suggesting different crops or stages of cultivation. A winding dirt road or path cuts through the fields. In the lower-left corner, there is a dense cluster of dark green trees. The background shows more rolling hills and fields under a clear sky. The overall scene is a typical agricultural landscape.

Ezra 03:13 So that the people could not discern the noise of the shout of joy from the noise of the weeping of the people: for the people shouted with a loud shout, and the noise was heard afar off.
