

The background of the image is a close-up, top-down view of water with numerous small, concentric ripples. The water is clear, and the ripples create a complex, shimmering pattern of light and shadow. The colors range from light blue to a slightly darker, muted blue, with some areas appearing more golden or yellowish due to the way light reflects off the water's surface.

Genesis 05:30 And Lamech lived
after he begat Noah five hundred
ninety and five years, and begat
sons and daughters:
