

A close-up photograph of a vibrant red flower, likely a gerbera, with multiple layers of petals and prominent stamens. The petals are a rich, saturated red color, and the stamens are a lighter, almost white color. The background is a soft, out-of-focus green, suggesting foliage. The text is overlaid on the upper portion of the flower.

**Leviticus 25:07 And for thy cattle,
and for the beast that are in thy
land, shall all the increase thereof
be meat.**
