

A close-up photograph of a large, textured, golden-brown object, possibly a piece of bread or a large nut, with a dark, crystalline substance on top. The object has a rough, porous appearance with many small holes and indentations. The dark substance on top is highly reflective and has a jagged, crystalline structure. The background is dark and out of focus.

**Genesis 03:19 In the sweat of thy
face shalt thou eat bread, till thou
return unto the ground; for out of
it wast thou taken: for dust thou
art , and unto dust shalt thou
return.**
