

**Job 40:18 His bones are as strong  
pieces of brass; his bones are like

A close-up photograph of a vibrant purple orchid flower. The petals are a rich, deep purple with a subtle texture. The center of the flower features a darker purple, almost black, patterned area. To the right, a green stem extends, bearing several unopened, dark purple buds. The background is a soft, out-of-focus green.
