

A photograph of a small stream flowing over a bed of rocks. The water is clear and creates small white rapids as it moves over the stones. The banks are lined with dry, brown branches and some green grass. The overall scene is natural and somewhat somber due to the lack of leaves on the trees.

**Genesis 15:05 And he brought him
forth abroad, and said, Look now
toward heaven, and tell the stars,
if thou be able to number them:
and he said unto him, So shall thy
seed be.**
