

A close-up photograph of several pink and white flowers with yellow centers, set against a dark background. The flowers are in various stages of bloom, with some fully open and others partially open. The petals are delicate and layered, creating a sense of depth and texture. The yellow centers are bright and prominent, contrasting sharply with the pink and white petals. The overall composition is soft and romantic, with a focus on the natural beauty of the flowers.

**Exodus 02:06 And when she had  
opened it , she saw the child: and,  
behold, the babe wept. And she  
had compassion on him, and said,  
This is one of the Hebrews'  
children.**
