

A close-up photograph of various plants. The background is filled with green leaves of different shapes and sizes. In the foreground, there are several large, heart-shaped leaves with a striking variegation of bright yellow-green and deep red or maroon. To the right, a small, bright orange flower is partially visible. The overall scene is lush and vibrant, with natural lighting creating soft shadows and highlights on the foliage.

Jeremiah 15:10 Woe is me, my  
mother, that thou hast borne me a  
man of strife and a man of  
contention to the whole earth! I  
have neither lent on usury, nor  
men have lent to me on usury; yet  
every one of them doth curse me.
