

**Luke 17:12 And as he entered into a certain village, there met him ten men that were lepers, which stood afar off:**

A photograph of a beach with driftwood and sand dunes. The scene is captured in a desaturated, almost monochromatic style. In the foreground, a large, weathered piece of driftwood lies horizontally across the frame. The sand is dark and textured, with several smaller pieces of driftwood scattered around. In the background, more driftwood is visible, and the overall atmosphere is quiet and somewhat somber.
