

Genesis 21:15 And the water was spent in the bottle, and she cast the child under one of the shrubs.

A close-up photograph of a small waterfall cascading over reddish-brown, porous volcanic rocks. The water is clear and creates white foam as it falls. In the foreground, there are green plants with small pink flowers on the left and a smooth, light-colored stone on the right. The background shows more rocks and some greenery, suggesting a garden or natural setting.
