

A close-up photograph of several purple hydrangea flowers. The petals are a vibrant purple with visible veins. The center of the flowers shows small, light blue stamens. Green leaves are visible in the lower-left corner, showing some water droplets. The background is softly blurred, showing more of the same flowers.

**Deutronomy 19:02 Thou shalt
separate three cities for thee in the
midst of thy land, which the LORD
thy God giveth thee to possess it.**
