

A close-up photograph of a vibrant orange lily flower. The petals are a rich, saturated orange color and are covered with numerous small, dark brown or black spots, a characteristic feature of some lily species. The flower is in full bloom, with several petals visible, creating a layered, trumpet-like shape. The background is dark and out of focus, making the flower stand out prominently.

**Exodus 24:14 And he said unto the
elders, Tarry ye here for us, until
we come again unto you: and,
behold, Aaron and Hur are with
you: if any man have any matters
to do, let him come unto them.**
