

A close-up photograph of a bouquet of flowers. The central focus is a large, vibrant yellow sunflower with a dark brown, textured center. To its left, there are several bright pink daisies with yellow centers. In the background and foreground, there are delicate white baby's breath flowers. The overall composition is bright and cheerful, with a soft, natural lighting.

**Psalms 119:127 Therefore I love thy  
commandments above gold; yea,  
above fine gold.**
