

A close-up photograph of a garden. In the foreground, there are several bright pink flowers with multiple petals, some in full bloom and some as buds. The flowers are surrounded by lush green foliage, including large, rounded leaves and smaller, more delicate ones. To the right, there are several leaves with a striking pattern of pink, red, and yellow, likely from a coleus plant. The background is filled with more greenery, creating a dense and colorful scene. The text is overlaid in white, serif font, centered across the upper portion of the image.
