

Psalm 71:18 Now also when I am
old and greyheaded, O God,
forsake me not; until I have
showed thy strength unto this
generation, and thy power to every
one that is to come.

A black butterfly with white markings on its wings is perched on a green plant stem. The butterfly is positioned in the lower center of the image, partially obscured by the text. The background is a dense thicket of green foliage, with some leaves in the foreground showing water droplets.
