

Luke 17:12 And as he entered into a certain village, there met him ten men that were lepers, which stood afar off:

A photograph of a beach with driftwood and sand dunes. The scene is captured in a desaturated, almost monochromatic style. In the foreground, a large, weathered piece of driftwood lies horizontally across the sand. To the left, another smaller piece of driftwood is partially visible. The background shows rolling sand dunes under a dark, overcast sky. The overall mood is somber and quiet.
