

A close-up photograph of a waterfall cascading over dark, wet rocks. The water is clear and creates a misty spray at the bottom. In the foreground, there are several colorful flowers, including red, purple, and green ones, which are slightly out of focus. The background shows more rocks and a hint of a forest setting.

**Numbers 31:23 Every thing that
may abide the fire, ye shall make it
go through the fire, and it shall be
clean: nevertheless it shall be
purified with the water of
separation: and all that abideth
not the fire ye shall make go
through the water.**
