

A close-up photograph of a cluster of small, daisy-like flowers. The flowers have five petals each, with a white center and a gradient of pink to magenta towards the edges. They are surrounded by lush green foliage, including long, narrow leaves and some smaller, unopened buds. The background is slightly blurred, showing more greenery and some brown mulch or soil.

bathed in heaven: behold, it shall  
come down upon Idumea, and  
upon the people of my curse, to  
judgment.**
