

A close-up photograph of a monarch butterfly perched on a bright yellow flower. The butterfly's wings are a vibrant orange with black veins and a black border with white spots. The flower has several long, pointed yellow petals. The background is a soft, out-of-focus light brown and green.

Jeremiah 06:12 And their houses shall be turned unto others, with their fields and wives together: for I will stretch out my hand upon the inhabitants of the land, saith the LORD.
