

Genesis 17:18 And Abraham said
unto God, O that Ishmael might
live before thee!

A close-up photograph of a brown butterfly with its wings spread, resting on a black mesh net. The background is a bright green, out-of-focus surface. The butterfly's wings are a mix of dark brown and lighter tan colors, with visible veins. The mesh net is made of black plastic or metal, creating a grid pattern. The lighting is bright, highlighting the texture of the butterfly's wings and the mesh.
