

A vibrant still life composition featuring a variety of fresh fruits. In the foreground, there are several slices of cantaloupe melon, bright orange slices of oranges, and a few slices of banana. The background is filled with more whole and sliced fruits, including a large cantaloupe and several bananas. A dragonfly is perched on a cantaloupe slice in the upper left, and a monarch butterfly is resting on an orange slice in the center. Another butterfly is visible in the lower right corner. The entire scene is set against a rich red background, creating a warm and appetizing atmosphere.

2nd Chronicles 14:07 Therefore he said unto Judah, Let us build these cities, and make about them walls, and towers, gates, and bars, while the land is yet before us; because we have sought the LORD our God, we have sought him, and he hath given us rest on every side. So they built and prospered.
