

A close-up photograph of several pink flowers, likely gerberas, with vibrant, layered petals. The flowers are the central focus, with some in sharp focus and others blurred in the background, creating a soft, bokeh effect. The overall color palette is dominated by various shades of pink and magenta.

2nd Chronicles 14:13 And Asa and  
the people that were with him  
pursued them unto Gerar: and the  
Ethiopians were overthrown, that  
they could not recover themselves;  
for they were destroyed before the  
LORD, and before his host; and  
they carried away very much spoil.
