

A photograph of a garden scene. In the foreground, there is a path made of dark, textured gravel or mulch. To the right, a large bush of pink roses is in full bloom, with many flowers. To the left, there is a small green plant with large, rounded leaves. The background is a soft-focus view of a garden with more plants and a blue sky.

Ezekiel 42:11 And the way before them was like the appearance of the chambers which were toward the north, as long as they, and as broad as they: and all their goings out were both according to their fashions, and according to their doors.
