

A close-up photograph of a field of golden wheat. The wheat stalks are in sharp focus in the foreground, showing their characteristic awns. In the background, the wheat is slightly blurred, and there are patches of green weeds or grasses growing among the stalks. The lighting is bright, suggesting a sunny day, and the overall color palette is dominated by warm, golden-brown tones of the wheat and the vibrant green of the weeds.

2nd Thessalonians 01:10 When he shall come to be glorified in his saints, and to be admired in all them that believe because our testimony among you was believed in that day.
