

A close-up photograph of a hand holding a large, vibrant red rose. The hand is positioned in the lower center, with fingers gently cradling the petals. The rose is the central focus, with its many layers of petals creating a full, rounded shape. The background is filled with lush green leaves and other roses in various stages of bloom, some in sharp focus and others blurred. The lighting is bright, highlighting the texture of the petals and the skin of the hand. The overall composition is romantic and evocative, symbolizing love and beauty.

speech is comely: thy temples are
like a piece of a pomegranate
within thy locks.**
